

**Please join us in supporting Scott County History. Become a new member today. Thank you!**

Each year we hold a membership drive to raise funds needed to continually improve and make the Museum more accessible to everyone in our community. Our museum is exceptional. It is the only museum in this area solely dedicated to our history and heritage of Scott County. We strive to be a safe place for Georgetown and Scott County artifacts and history to preserve our legacy for future generations. The Museum is growing and changing in many exciting ways to meet these challenges. Your membership dues assist with operating expenses such as supplies, utilities and personnel. We rely on the generosity of our community and friends and would like to invite you to become a member and valued "Friend of the Museum".

We thank you for your support and hope to hear from you soon.
